South Dakota Public Higher Education Undergraduate Student Readmission Form

The purpose of this form is to simplify the admission process for students who have attended a South Dakota Regental University, discontinued their enrollment and now seek to be readmitted. For some students, information in addition to what is requested on this form may be required to properly evaluate the readmission request.

Please help us to determine your home university from which you plan to obtain your degree by checking the correct box on the form. Your **home university** is the university from which you will obtain your degree and from which you will receive assistance with student services, i.e. financial aid, advising, billing.

You may take courses at more than one of our universities as a student; however, you may have only one university as your degree granting or "home" university within our system. In addition, you may only receive federal financial aid from one of the universities during any given term. That university is your "home" university.

Once you have completed the readmission form, please return it to the Admissions Office of the University that you are declaring as your home university.

If you have any questions, please contact the university admission office of the school you are interested in declaring as your home university. Thank you in advance for returning this request in a timely manner allowing us to better assist you as you prepare to continue your education within the SD Public University System.
